Reference: 24-Hour Notification Report, Received 03/11/2016

To Whom It May Concern:

This is in response to the May 11, 2016 Request for Additional Information ("RFI"). As the Committee noted on its March 11, 2016 24-hour report, the expenditures reported were not specific to any state and were national communications in support of Ted Cruz's presidential nomination. However, in order to comply with the requests of the FEC, we have filed an amended 24-hour report which lists all the states with primaries and nominating conventions (including the Republican National Convention in July 2016) as the "elections" to which the expenditures were targeted.

Please contact us if you have additional questions.

Sincerely,

Paul Kilgore, Treasurer
